

# DISCOVER INDONESIA

## **BANDUNG ( Sunday 8 July or Monday 9 July, 2018 )**

Pick up from Four Points by Sheraton Jakarta. Two and a half hour ride before we reach amazing still active Tangkuban Perahu(2,084 m) volcano near Bandung. The name in Sundanese dialect means upturn boat. It erupted in 2013 last time. The edge of the crater is accessible by a car so we can see the crater from above. There is a "rotten egg" smell all around - that's because of the sulfur. You can enjoy the view and a short walk around the crater. After that we will go to Ciater hot springs where You can enjoy a short swim in natural hot spring. After this treasures of nature we will see a famous city of Bandung also called Paris of Java. Our lunch will be served in one of local restaurant and after that we will visit a silk factory. Bandung, which is a center for textile industry in Indonesia, is inhabited by over 6 millions people. After shopping we will be heading to Jakarta and after 2,5-3 hour ride we will reach Four Points hotel in Jakarta.
